S4B PSC Motor

S4BF16

Permanent Split Capacitor

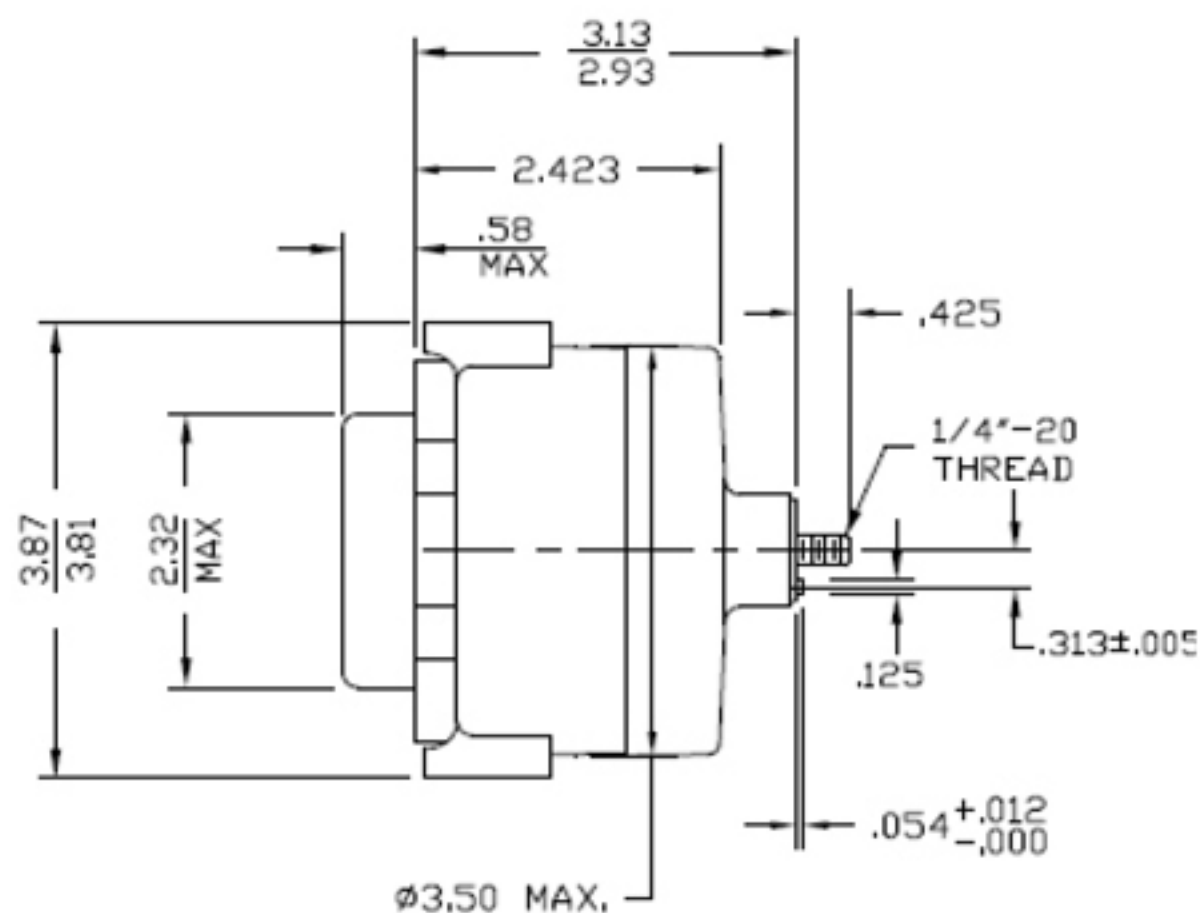

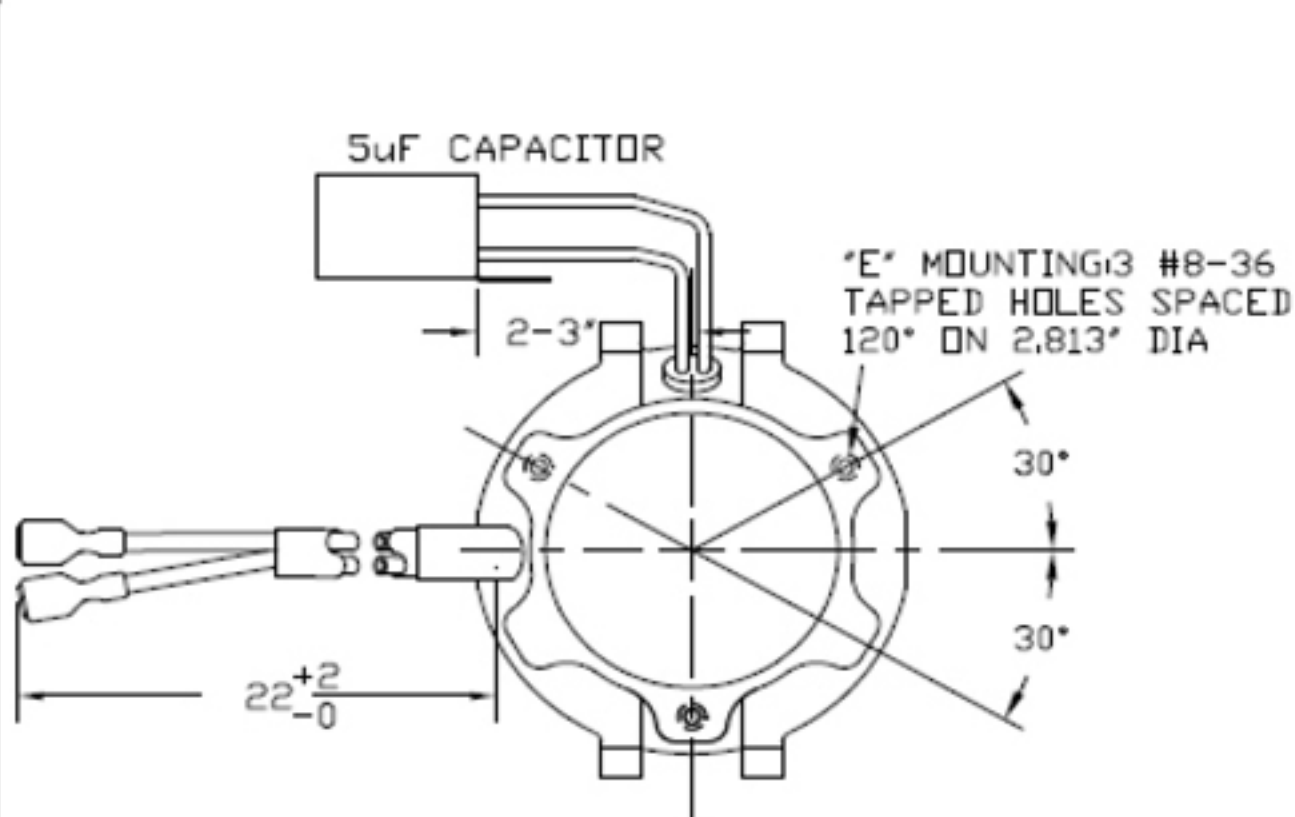

General Description

The PSC line of fan motors is the ultimate in long life design.

These 4-pole, PSC, cast-iron unit bearing fan motors offer a nominal 50% increase in efficiency over similar output shaded pole designs and the unit bearing design has been the standard of dependability and durability in light commercial refrigeration for many years.

Features

- + Cast iron bearing and thick film lubrication system for long life and dependability
- + Cool running, quiet operation
- + Low temp oil for evaporator duty only
- + Meets UL and Canadian Standards for safety

<u>Model</u>	<u>Output</u>	<u>Amps</u>	<u>Volts</u>	<u>RPM</u>	<u>Frequency</u>
