SPFB SHADED POLE

SPFBG16
Shaded Pole

General Description

The SPFB line of shaded pole fan motors is the ultimate in long life design.
These 4-pole, cast-iron unit bearing fan motors have been the standard of dependibility and durability in light commercial refrigeration for many years.

Features

+ Cast iron bearing and thick film lubrication system for long life and dependability
+ Cool running, quiet operation
+ Low temp oil for evaporator duty only
+ Meets UL and Canadian Standards for safety
